## LIABILITY RELEASE

Sailing is a comparatively safe sport, even at the junior level. The utmost attention to the safety of participants is a top priority. However, the LIABILITY RELEASE STATEMENT must be signed by a parent or guardian prior to the child's first session of the sailing program each and every season. Southport Junior Yacht Club Sailing Foundation, its Directors, instructors and volunteers accept no liability for damage, material or personal, occurring during sailing session hours or at any other time. The applicant and the parent/guardian agree that participation is at the child's own risk.

I/We give consent for my/our child to be photographed and/or filmed while participating in activities and for the resulting images to be used by the Southport Junior Yacht Club Sailing Foundation for teaching, promotional, and website purposes.

I/We also grant permission for my/our child (named above) to participate in occasional field trips during sailing program hours. I/We declare that he/she is physically and mentally able to participate in these programs.
